

Long Term Vacancy – Civil Engineering 3 Person Gang

We are looking for a **motivated & experienced 3-person civil engineering gang** to join the **Bridge Team**. We state long term as we want a gang that will **invest their commitment** to us, who takes **pride** their work, so we can invest in you for a **lifelong employment**. This is a real career **opportunity** to join a highly successful Civil Engineering Contractor located in the Southwest and undertake a varied range of civil engineering projects for a well-respected client base. The residence of the gang is ideally to be in Devon as we are a family orientated business, and we **work to live**, not live to work, therefore, work hours are generally restricted to 8 to 5pm on site, Monday to Friday plus acceptable travel to ensure that you are with your families, every evening and weekend.

Job Overview/Responsibilities

- Working on projects of **£10k to £3m in value** depending on experience. **Drainage, Highways, RC Works, Flood Defence,**
- **Responsibility** for the day-to-day running of site operations.
- Work efficiently and ensure that the highest standards for **Health and Safety, Environment and Quality** are maintained.

Qualifications/Experience

- A range of SSSTS/SMSTS, CSCS, CPCS (excavator/dumper/roller etc), CAT/Genie, 1st Aid etc preferable.
- Full Driving Licences
- **Strong team players**, possess a "can do" attitude and be able to **communicate** well.

Package

- **Competitive Rates** based on experience & training.
- **29 days holiday** inc. bank holidays.
- Health Assured – **Employee Assistance** Program Service
- **Death in Service** Insurance; 3 yrs. Salary.
- **Income Protection** Plan Insurance: 50% Salary after 13 weeks to cease of employment.
- **Dental Plan** (Option at additional Cost).
- **Pension**.
